SWASTI PARAS JAIN
Computer Engineering Student

Phone: 9923402456 | Email: swastij166@gmail.com | LinkedIn | GitHub | Codechef

CAREER OBJECTIVE

Motivated Computer Engineering student seeking opportunities to apply programming, web development, problem-solving, and teamwork skills in real-world projects. Interested in software development, artificial intelligence, and technology-driven solutions, with a strong willingness to learn and grow.

EDUCATION

Qualification	Institute	Year / Status
B.E./B.Tech – Computer Engineering	R. C. Patel Institute of Technology, Shirpur	[3rd Year / 8.44]
SSC	N.E.S Girls College, Parola	[2022 / 97.20%]
Higher Secondary / Secondary	N.E.S College, Parola	[2024 / 84.50%]

TECHNICAL SKILLS

- Programming: Java, JavaScript.
- Web Development: HTML, CSS, React.js, Node.js
- Database: MongoDB, SQL – basic knowledge
- Tools: VS Code, Git/GitHub
- Core Concepts: Data Structures & Algorithms, OOP, DBMS, Operating Systems

PROJECTS

- **Calculator Web Application**

  Built a responsive calculator application with a clean user interface and interactive arithmetic operations. Focused on DOM manipulation, event handling, input validation, and responsive styling.

  Technologies: HTML, CSS, JavaScript

- **AI-Powered Hindi-to-Santhali Vernacular Language Platform – SIH**

  Developed an AI-powered vernacular language solution to bridge the communication gap between Hindi and Santhali, supporting tribal communities in Jharkhand. The project focuses on AI-based language translation and speech/text interaction to make digital information more accessible in Santhali. Cleared two rounds of Smart India Hackathon (SIH) with the team.
  Technologies: AI/ML, NLP, Speech-to-Text, Text-to-Speech, React.js

STRENGTHS

- Quick learner • Teamwork • Communication • Problem-solving • Adaptability • Presentation skills
- Alumni Connect Representative, T&P Club: Coordinated alumni-connect activities and facilitated communication between students and alumni.

CERTIFICATIONS

- Sigma 10.0 – DSA & Web Development**,** Apna College Certificate.

ACHIEVEMENTS & ACTIVITIES

- Cleared two rounds of Smart India Hackathon (SIH) with the team.
- Hackathon: Selected for Round 2 among 40 teams out of 180 participating teams at the college-level hackathon.
- Solved 1000+ coding problems on CodeChef; actively improving competitive programming skills.
- Participated in technical/project presentations and college activities.
- Anchored a Women's Day college event, demonstrating communication and presentation skills.

HOBBIES

Dancing (classical) ,Reading the books , Diary Writing, Learning new languges (like japnese)

DECLARATION

I hereby declare that the information provided above is true to the best of my knowledge.
